

AFRILEX

11th International Conference Pre-Conference Workshop

Last update: 6 May 2006

Dear Member,

You are cordially invited to attend the **Pre-Conference Workshop** of the *African Association for Lexicography* that will be held at the University of Venda for Science and Technology, Thohoyandou, Republic of South Africa.

DATES

Monday 3 and the morning of Tuesday 4 July 2006

THEME: PRINCIPLES AND PRACTICE OF SOUTH AFRICAN LEXICOGRAPHY

Presenters: Prof. Rufus Gouws (University of Stellenbosch) and Prof. Danie Prinsloo (University of Pretoria)

Contents:

During this workshop, fundamental issues in South African lexicography will be discussed. The discussion will be based on the newly-published (2005) book *Principles and Practice of South African Lexicography* by R.H. Gouws and D.J. Prinsloo.

The book *Principles and Practice of South African Lexicography* is directed at experts in the field of practical and theoretical lexicography in South Africa, applying the general theory of lexicography to the South African lexicographic environment. For more information on this manual and its authors, click [here](#).

Themes that will be addressed during the workshop include the following:

- material collection and corpus building,
- the user-perspective,
- the frame structure of dictionaries,
- macrostructural and microstructural aspects,
- definitions,
- equivalent relations, and
- the access structure.
