For your safety, guesthouses and B&B in the vicinity of the UWC Bellville campus (at a walking distance to the venue) are not advisable.

7. TRANSPORT & VENUE LOCATION

7.1 Airport transfers

There will be no shuttle services offered from and to the Cape Town International Airport.

Delegates should make their own arrangements for pick-ups and drop-offs at the airport.

All major car rental companies (local and international) have branches at the Cape Town International Airport. Please check Google the specific company branch for details.

7.2 Transport between places of accommodation and the conference venue

The conference organisers can unfortunately not provide transport between places of accommodation and the conference venue.

We recommend that you UBER, call a cab or hire a car from any of the car rental companies.

Kombi taxis are not so recommendable for visitors.

There is Metrorail line to the UWC campus. The Metrorail station on campus is called UNIBELL. For more information, please visit and download the App: www.gometro.co.za

The UNIBELL train station is also served by Cape Town Trains (CTTRAINS). For details and trains timetable, please visit: <http://cttrains.co.za/>

Please note that for both Metrorail and CTTRAINS, Unibell train station is part of the Central Line region.

From UNIBELL train station, you will just have to walk straight on University Avenue to get to the conference venue.

7.3 Venue Location

All the conference activities (cocktail reception, workshop, sessions, tea-breaks, lunch and dinner) will take place in the New Life Sciences Building. Please refer to Addendum C for the UWC Campus Map. The New Life Sciences Building is number 14 on the map.

- Special sessions may be proposed.
- All submissions will be adjudicated.
- The conference language is English.

Prospective presenters are to submit abstracts to reach AFRILEX before **30 April 2018**. The abstract should be formatted according to the template. Abstracts must be between 600 and 800 words long for adjudicators to make informed judgements on the central argument of the paper, especially given that conference proceedings are not published. Abstracts should contain the following elements: a central argument, how the study was conducted and some (preliminary) conclusions. Papers that do not comply with these requirements will unfortunately be rejected.

Abstracts should be sent by e-mail to ahdp@sun.ac.za

Abstract Committee:

Prof. Sonja Bosch: boschse@unisa.ac.za and Mr. Andre du Plessis: ahdp@sun.ac.za

Receipt of abstracts will be acknowledged and feedback will be given to authors as soon as the abstracts are received back from the adjudicators. Abstracts of accepted papers will be distributed during the conference. MS PowerPoint Presentation facilities will be available. As a backup, presenters are invited to e-mail their presentation to the organiser ahead of the conference.

Please note: It is compulsory for presenters of papers and special sessions to register in advance (i.e. before 01 June 2018).

Abstract submission format according to the template:

Full title of paper

Firstname(s) SURNAME ([e-mail address](#))

Affiliation: Department/Institute, University, Place, Country

Firstname(s) SURNAME ([e-mail address](#)), in case of second author etc.

Affiliation Department/Institute, University, Place, Country

Write your abstract in block style in Times New Roman 12. The line spacing should be single. Cite single authors as surname (year:page) or (surname, year:page). If you cite a publication with two authors, please do it as follows: surname1 & surname2 (year:page) or (surname1 & surname2, year:page). More than two authors are cited as surname1 et al. (year:page) or (surname1 et al. year:page). When referring to the publication as such, you can leave out the page numbers. When referring to several page numbers, you can use “page-page”.

In your Afrilex abstract, the first line of every paragraph after the first paragraph should be written with a left indent of 1 cm. Tables and figures should be centered. Enumerated lists do not need to be indented.

If you list linguistic examples of languages other than English, please provide English translations.

Paragraphs after figures or tables should not be indented. Please limit screenshots (for space reasons) and keep the number of figures to a minimum. However, do not minimize figures too much: Remember that while you write this on A4-pages, the book of abstracts will be printed on A5. If you are unsure about the instructions, you may consult the Afrilex abstract booklet of 2017 as example. This can be found on the following webpage: http://afrilex.africanlanguages.com/AFRILEX_2017_Booklet.pdf.

Lastly, your abstract should not exceed 800 words (MS word count), everything included - also the “References” section, see an example below. Please do not use footnotes, if unavoidable, you may use endnotesⁱ instead.
